

STATEMENT OF SUBSTANCE OF INTERVIEW

Applicant appreciates Examiner Campbell's participation in a telephonic conference of July 16, 2009. Applicant wishes to thank Examiner Campbell for his time and consideration.

During the interview, the claimed subject matter of the application and the claim rejections were discussed. Also discussed during the interview were proposed amendments to the claims. In the interest of expediting prosecution of the application, and without conceding the propriety of the rejection, Applicant proposes to amend the independent claims to further clarify features of Applicant's claimed subject matter to overcome the rejections.

Applicant understands that Examiner Campbell tentatively agrees that the proposed amendments overcome the outstanding rejections based on §112 and §103 rejections.

Accordingly, Applicant submits the amendments in writing in this Response to the Office Action and that all of the pending claims are in condition for allowance.
